

Skilled CNC Machinists

We are recruiting experienced and skilled CNC machinists to join our team.

You will possess the experience and skills set out below:

Essential skills:

- You must be able to program, set and operate CNC machines to produce accurate components, working to drawings and specifications. You will be required to set the machine and carry out tool changes so experience is a must.
- Daily and accurate completion of records
- Self-inspect components and report any manufacturing errors to line manager so corrective action can be agreed
- Ensure that production requirements are met in line with the production schedule and requirements

You will need to demonstrate the Competencies and Skills, detailed below:

- An excellent attention to detail
- Good oral communication
- Team player with good timekeeping and flexible attitude
- Possess the drive to learn and develop
- A willingness to be flexible for business requirements including overtime and weekend working
- Ability to read drawings/parts lists
- Have an understanding of 5S and workplace organisation awareness
- OEE Continual Improvements, always looking at increased run times and decreased down times through good set ups and enablement coupled with personal motivation

Background and Experience:

- Successfully completed apprenticeship
- CNC programming experience ideally with Fanuc, Mazak/Mazatrol or Siemens controls
- Experience of working with a wide variety of materials including exotic alloys and castings
- Understanding of manufacturing protocols
- Knowledge of feeds and speeds

Full-time, Permanent positions available, potential shifts required including permanent nights.

In return we offer:

- Competitive salary in line with the experience and benchmarked salary levels
- Holiday entitlement of 25 days running January to December, per annum
- Pension contributions above statutory rates

The successful candidate MUST as part of the process to: (i) satisfy basic eligibility criteria/certain conditions of employment (e.g. nationality rules/right to work); (ii) provide appropriate documentation to verify ID, nationality, employment and/or academic history, criminal record (unspent convictions only); and undergo Baseline Personnel Security Standard checks.

If you fit these criteria, please apply in writing with your CV and covering letter stating your current salary to:
