

## **Job Vacancy: Assembly & Test Operative**

Brooksbank Valves are one of the UK's leading valve manufacturers of high-quality isolation valves and actuation packages for the Oil & Gas, Naval Marine, Fine Gas & Chemical markets.

We are recruiting an Assembly & Test Operative to join our skilled team based in Cross Hills.

### **The key responsibilities of the role are:**

- Build valves according to technical drawing
- Operate test rigs to test valves following requirements detailed on works order.
- Ensure all required build data is captured onto systems.
- Self-inspection of work, whilst engaging with QA where necessary.
- Support and mentor apprentices where required.
- Enhance and improve upon existing techniques/continuous improvements.
- Working to business core values at all times.
- Any other duties reasonably requested and deemed to be within your skills and experience.

### **Competencies / Personal Attributes**

- Mechanically minded with excellent dexterity skills
- Good timekeeping and attendance
- Good problem solving skills
- Health & Safety awareness
- Good housekeeping and work place organisation understanding and behaviours.
- Team player with good communication skills
- Self-motivated around aspects of the role with a can-do attitude.
- ISO9001:2015 awareness
- Flexibility to embrace change and changing working requirements

### **In return we offer:**

- Holiday entitlement of 25 days running January to December, per annum.
- Pension contributions above statutory rates.
- 39 hour working week with a 1pm finish on Friday.

If you fit this criteria, please apply in writing with cv and covering letter to [jobs@brooksbank.co.uk](mailto:jobs@brooksbank.co.uk)

*The successful candidate will need as part of the process to: (i) satisfy basic eligibility criteria/certain conditions of employment (e.g. nationality rules/right to work); (ii) provide appropriate documentation to verify ID, nationality, employment and/or academic history, criminal record (unspent convictions only); and undergo UK Baseline Personnel Security Standard checks. Due to the nature of the work performed and the requirement of the client contracts that we hold, these security checks are required and in order to pass these Personnel Security checks you must hold a current British Passport.*
