

VALVE FITTER – CROSS HILLS

Hourly rate: £12.90 – £13.36 (depending on experience)

We have an exciting opportunity for a **Valve Fitter** to join our team. This hands-on role is key to ensuring our valves are built, tested, and documented to the highest standards, contributing directly to our reputation for quality and reliability.

MAIN RESPONSIBILITIES

- Build valves according to drawing, ensure all parts have heat numbers and documentation required.
- Operate test rigs to test valves to required requirements
- Ensure all required build data is captured onto forms and systems.
- Self-inspection of work, whilst engaging with Quality where necessary.
- Support and mentor apprentices where required.
- Enhance and improve upon existing techniques/continuous improvements.
- Work to business core values at all times.

WHAT WE'RE LOOKING FOR

- Mechanically minded with excellent dexterity skills
- Good timekeeping and attendance
- Good problem-solving skills
- Health & Safety awareness
- Good housekeeping and workplace organisational understanding and behaviours.
- Team player with good communication skills
- Self-motivated around aspects of the role with a can-do attitude.

SECURITY REQUIREMENT

Employment is subject to security restrictions. These restrictions mean that factors such as your nationality, any nationalities you may have previously held, and your place of birth can restrict the roles you are eligible to perform within the organisation. All applicants must as a minimum achieve Baseline Personnel Security Standard

WHAT WE OFFER

We value our employees and offer a competitive and supportive package, including:

-  Hourly rate: £12.90 – £13.36 (depending on experience)
-  33 days holiday (including bank holidays)
-  Pension scheme: 8% combined contribution (4% employee, 4% employer)
-  39 hours/week, Mon–Fri, with a flexitime system and early finish on Fridays
-  Paid sick leave (after six months' service)
-  Free onsite parking
-  Employee Assistance Programme, including access to professional counselling
-  Death in Service benefit
-  Cycle to Work scheme and onsite shower facilities
-  Company-wide shutdown at Christmas

- 💎 £1,500 employee referral bonus for successful hires
